

## NOTICE OF PROJECT PLANNING PUBLIC MEETING

The Village of Muir will hold a public meeting on the proposed Clean Water State Revolving Fund – Wastewater System Improvements project for the purpose of receiving comments from interested persons.

The meeting will be held at 7:00 p.m. on April 11, 2023 at Muir Village Office, 122 Superior St. Muir, MI 48860.

The purpose of the proposed project is for improvements to the Village's wastewater system to address aging infrastructure. Recommended improvements include lagoon improvements at the wastewater treatment plant (WWTP), replacing the WWTP effluent sewer, replacing the pump station and force main, and collection system repairs.

Expected impacts of the proposed project include improved treatment efficiency and increased reliability of the wastewater treatment plant and collection system. Short-term construction related impacts include noise and dust during construction.

The estimated monthly cost to users for the proposed project will be \$39.77 for the Village of Muir, \$39.77 for Lyons Township, and \$11.02 for the Village of Lyons. Actual costs will vary depending on financing terms, principal forgiveness and/or grants, as well as the final user charge rate structure.

Copies of the plan detailing the proposed project are available for inspection at the following location(s):

Muir Village Office  
122 Superior St.  
Muir, MI 48860

or via the Village website <https://villageofmuirmi.gov/>

Written comments received before the meeting record is closed on April 10, 2023 will receive responses in the final project planning document. Written comments should be sent to:
